Had another treat in mind? Let's chat and see what we can do!

- Please note that due to the set up of the Tallulah's Bakery kitchen, I am unable to create treats to specific dietary requirements.
- At the moment I am unable to offer dessert table styling but this is something I am looking into for the future.
- I have a delivery radius of a 1hr drive from Marton, Middlesbrough. If your event is further way I am happy to have a chat about having your treats delivered. Postal costs will apply and some treats don't travel well. Please get in touch to discuss your requirements.
